

Dear Colleague,

Thank you for your support of ACCE! A benefit of membership is the ACCE directory, which provides information for each college as well as contact information for colleagues in the community and continuing education programs.

You become a member simply by purchasing the 2022-2023 ACCE Directory—a necessary supply for any college office! Prices and categories are as follows:

- **One directory (single membership)** **\$ 100.00**
- **Institutional Membership** **\$ 500.00**
- **Please provide contact information below for each individual member from your institution. Should any members change during the year, please send updates to Jason Sofianos, ACCE Website Administrator, at sofianja@wlac.edu.**

Each year's new directory is finalized and produced in the Spring at which time all members joining or renewing for that year receive the updated copy.

As an ACCE member you're kept up to date on issues and best practices via email list serves, journals, drive-in workshops, and conferences. ACCE also has access to a collaborative group of legislative advisors who keep our members up to date on relevant issues, advocate for specific ACCE positions and help us develop positions on issues pertaining to Community Education and Continuing Education.

Order the Directory by mailing the invoice (on the other side of this letter) and your check (**made payable to ACCE**) to:

Robert Parker, C.P.A
ACCE Treasurer
c/o Los Angeles Mission College
13356 Eldridge Avenue
Sylmar, CA 91342

Sincerely,
Robert Parker C.P.A
