4:00 – 5:30 pm

### Break Out Session #5

#### Continuing Education Track

##### Chancellor's Office Update: Curriculum and Instruction Unit

- Review of the CCC Curriculum Inventory. Joseph Darin  
The long-awaited electronic submission process for credit and noncredit curriculum is finally ready to use! This system has one interface for community colleges with electronic curriculum management systems and another interface for those colleges that do not have electronic systems. Community colleges will submit a variety of applications through a web browser, and then be able to return to the interface to check the status of applications. All curriculum requests will be submitted through the same system.
- Q and A regarding the following topics: Current Inventory Update. High School Diploma Program. Course and Certificate Program Approvals. LeBaron Woodyard, Joanne Vorhies, Juan G. Cruz.

#### Community Education Track

- Augusoft presentation with special announcements of interest to all users from Donna Swedin, Director of Sales, Leslie Larrabee and Carol Greenberg, Product Advisors.
- Continuation of the Community Education round table. Discussion leader: Susan May.

**Thanks to Augusoft and Ed2Go, our major conference sponsors!**
